*SERVING THE PEOPLE OF TULLY*

## Proposed Baseball Field for Tully

As many of are aware, there is a movement in town to build a multi-use baseball field in the area adjacent to the municipal building. There have been many discussions concerning this project at the Town of Tully meetings.

A public forum to solicit opinions on the field will be held at the Municipal Building on September 14th between 6:00 pm and 7:30 pm. All are welcome and encouraged to attend to hear the proposal, ask your questions and give your feedback.

## Municipal Building Maintenance

The town is currently soliciting three quotes for maintenance and replacement of the Municipal Buildings roof. A request was submitted to use an amount from the capital reserves to fund the replacement not to exceed \$20k.

When asked by a board member if the roof was in bad enough shape to warrant a replacement, a citizen attending the meeting responded that they have been picking pieces of the roof from the hiking trail for months now.

## Kings Corner Market 5th Year Anniversary

By Amy Kida

KCM has some new vendors this year in addition to some of our old favorites returning! It's going to be a great way to spend your Tuesday nights in August from 4-7pm, and this year we have 5 Tuesdays in August. You'll be able to walk around the village, sample some tastings at the Local Food Market, check out the buzz with the Tully Arts Council's new space, purchase a brick from the Tully Action Group for the new park, grab a bite to eat, buy some groceries and hopefully add to your art collection. If you plan ahead, you can set time aside after the market nights to process your goods: canning, freezing or sui chef - stocking up for a week or for months to come. Who knows, you may even decide to start holiday shopping!

Stop by the KCM table located on the corner of Clinton and State St., you'll want to check out our special anniversary wine glasses. Each glass purchase comes with a discount coupon for Tully Fine Wines! We will have a variety of tee shirts for sale and are available for your comments, and feedback.

This event is organized by the KCM board – Amy Kida, Erin Hull, Sarah Panzarella-Randall, Karen Puccia and Katina Walker-Sayers. We women enjoy providing the Tully community the opportunity to meet the producers of so many of our wonderful local items. If you have any questions you can call 315-238-4825 or email [Amy@earth2soul.com](mailto:Amy@earth2soul.com). We truly hope you make the time to shop the market, spend some money and show your support to our locally talented artist and producers.

# Tully Parks and Recreation News- June 2016

## Submitted by Ryan

The month of July has been busy, Green Lake is off and running smoothly. We have a great turnout for swim lessons, offering 6 levels with over 50 swimmers participating. Our lifeguard staff has done a tremendous job thus far.

The Girls of Summer Lacrosse Club has generously donated to the Tully Parks and Rec Dept to help offset the cost for new soccer goals. These goals will be used for our Fall youth soccer program. Kids from kindergarten to 6th grade will be able to benefit from the Girls of Summers donation. We are truly thankful for their generous gift.
